Dear workshop attendees,

Thank you for attending the Intro to HPC Carpentry with NeSI workshop today!

We really hope you found the workshop useful and interesting.

**Please take a moment to fill out our brief workshop [feedback form](#).**

It gives us an opportunity to reflect & improve 😊 We appreciate you taking the time to do this!

Below is a list of useful links:

- [Workshop material](#)
- [NeSI support documentation](#)
- [Command history \(for asynchronous use\)](#)
- [NeSI office hours](#)
- [Final exercise](#)
- [EOI for upcoming Introduction to Command Line workshop](#)
- [Workshop QA Doc](#)

Please note that you will have access to nesi99991 for the next 4 weeks.

Join our mailing lists to receive news on upcoming training events: <http://eepurl.com/grV9if>

You can also view recordings of our webinars and other events at our [YouTube channel](#)

If you have any questions or need help with our services, please respond to this email or reach out to [support@nesi.org.nz](mailto:support@nesi.org.nz)

Best,  
NeSI Training Team
